Notes: AFL cut: fitted body, smaller armholes, V-neck with rib collar. Sleeveless guernsey and vest share this chart. All figures in cm, garment laid flat.
How to measure: A Half chest: side seam to side seam, 2 cm below the armpit. B Length: high point of the shoulder, next to the neck, straight down to the hem. Double A for the full measurement. If you are between sizes, go up one.
Tolerance: allow 1 to 3 cm either way on every measurement, as our sublimated garments are cut and sewn by hand.
