Notes: Reversible singlets use our standard basketball singlet measurements. All figures are our standard measurements, in cm, garment laid flat.
How to measure: A Half chest: side seam to side seam, 2 cm below the armpit. B Half hem: edge to edge across the bottom hem. C Length: high point of the shoulder, next to the neck, straight down to the hem. Double A and B for the full measurement. If you are between sizes, go up one.
Tolerance: allow 1 to 3 cm either way on every measurement, as our sublimated garments are cut and sewn by hand.
