Notes: Men's 6XL to 8XL continue the 2XL to 5XL steps (3.5 cm chest, 2 cm length). Half hem matches half chest on men's and kids, women's is 1 cm wider. All figures in cm, garment laid flat.

How to measure: A Half chest: side seam to side seam, 2 cm below the armpit. B Half hem: edge to edge across the bottom hem. C Length: high point of the shoulder, next to the neck, straight down to the hem. Double A and B for the full measurement. If you are between sizes, go up one.

Tolerance: allow 1 to 3 cm either way on every measurement, as our sublimated garments are cut and sewn by hand.
