Notes: Kids inseam is our standard, set at 40% of kids length (rounded to 0.5 cm). All other figures are our standard measurements. Garment measurements in cm, laid flat.

How to measure: A Waist: edge to edge across the top of the relaxed waistband. B Hip: edge to edge at the widest point. C Length: top of waistband down the outside edge to the hem. D Inseam: crotch seam down the inside of the leg to the hem. Double A and B for the full measurement. If you are between sizes, go up one.

Tolerance: allow 1 to 3 cm either way on every measurement, as our sublimated garments are cut and sewn by hand.
